**“THE TONY” RUNS FOR
PRESIDENT OF
MORROW COMMITTEE
PROMISES TO
“DRAIN THE SWAMP”
“LOCK HER UP”
“BUILD THE WALL”**

Kennett Square, PA - Tony DiVitto* announced at a press conference today that he intends to follow in the footsteps of his beloved father, Gabe DiVitto. He is running for President. This intrepid and lone reporter at the press conference was unsure what to ask, since no one has ever campaigned to take on the thankless job of Chair of the Committee.

Q: Are you aware of the fact that the position of President of the Morrow Committee doesn't exist, that it is called Chair of the Committee?

A: Another example of the dishonest media and the “gotcha” questions. I'm not answering any more of your stupid questions. I have a very big brain and even bigger hands.

THE TONY gave a rambling, impassioned speech to the crowd. Two problems were apparent. First, **THE TONY** is not a good speaker. Second, the “crowd” was the lovely Pat DiVitto and the sultry Cynthia DiVitto.

Charging ahead, **THE TONY** promised an end to crappy favors. “From now on I will personally pick the favors. You can be sure there won't be any wine condoms or water bottles or cheap golf towels or visors!!! Each year the favor will be better than the year before!!! AND the anniversary favor will be SOOOO unbelievable that you won't believe it. NOT ONLY THAT, I will reduce the entry fee by 50% by eliminating the waste and fraud that plagues the Tournament because of the corrupt committee that runs the Tournament.”

“When you elect me you can be sure I will DRAIN THE SWAMP! The years of special favors to committee members is going to end. Every one of those Committee members has been bought by the special interests. They and their friends always get the easy draws and the late starts on Saturday.”

On my first day in office I will direct my people (I have a lot of people, mostly blond, and all really hot) to lock up that Nasty Woman, Martha White. Nasty Woman White has run the most corrupt, dishonest, unsavory, obscene, little, low energy Tournament ever in the history of platform tennis. Under her leadership the Morrow Tournament has gone from THE BEST PADDLE TOURNAMENT IN THE WORLD to the worst. There are better paddle tournaments in third world countries like France and Italy. The best tournaments are in Russia. Vlatko Najdek knows how to run a tournament. I sponsor all of his women's tournaments. I love the locker rooms at those tournaments.

Reached at her ski chalet in Aspen, Colorado (you know, the one that Tom Dougherty claims he owns), Martha refused to be interviewed on the record. Your still intrepid reporter sat down with Martha for an off the record interview.

Wearing her Pink Pussy Hat, knoshing on a

marijuana brownie and sipping a Cabernet in the late afternoon after a hard day of skiing, Martha was reflective and totally stoned. “Everyone thinks it’s easy to run a paddle tournament. They don’t know the tremendous burden we tournament directors have. The reason I get paid so much for this job is because I’m damn good. **THE TONY** doesn’t even know how to find the men’s locker room! He spends all his time in the Ladies locker room. He can’t run a mixed tournament when he’s only interested in women.”

Later, Martha released a formal statement.

“When they go LOW, we get high!”

“When they ATTACK, we get the giggles!”

“When they LIE, we get the munchies!”

Nasty Woman Martha is a lock for re-election.

Finally, **THE TONY** promised to build a big, beautiful wall to prevent those drug dealing, criminal Main Line paddle players from illegally entering the Morrow Tournament. The wall will be built down the middle of Rt. 202. It will be topped with sharp diamond shards to prevent them from climbing over.

“I assume there are a couple of good paddle people on the Main Line. Since I’m the least prejudice person ever, I’ll let a few in. The extreme vetting process will assure we only get the best ones. That adorable Coeey Burkhart Lyon is always welcome. We might even let the whole Burkhart family come back if Coeey will vouch for them.”

*Pat, please note how many times our intrepid reporter spelled DiVitto correctly.

MORROW COMMITTEE E-MAILS HACKED!!!

Greenville, DE - The Morrow CIA (Committee Intelligence Agency*) is investigating a hacking of the Committee e-mails. Vladimir AI*****ch (last name is top secret) was behind the hacking. He was attempting to sow discord among the committee members. His ultimate goal was to make sure that Betsy P****y (last name is top secret) would play in the A’s, with her nationally ranked partner, Tim B*****e (last name is top secret).

(*The Morrow Committee and Intelligence is a classic oxymoron. Look it up.)
